

Welcome

Pre-k Class '09-'10!

Hello to all of you! My name is Jennifer Belanger (Ms. Jenn), and I am excited to be your child's teacher for the upcoming school year in Pre-K. I am not a native here in Missouri, as I have moved all over the country due to my Dad being in the military when I was young and I am a mom of three... two boys and a girl. My sons are Brendan(13) and Nick(4), and my daughter is Madison (11). I have a Cat named Sadie, and an iguana who goes by Iggy (who is 2 ½ to 3ft long).

I've been in Lee's Summit since 2001, and have worked with children in the Lee's Summit School

District and at Presentation for a total of about 8 years. This school year I will be continuing my education in hopes of attaining a Masters in Teaching, which I am really excited about.

On Friday, August 14th I will have the pleasure of meeting each of you at Meet the Teacher. This will be held from 3:30pm to 6:30 pm and I will share with you a variety of information pertaining to classroom expectations, and school year events and schedules. Please be aware that I will have a project for you to do with your child when you are here on this evening, so make sure you set a little time aside for this!

During the first two weeks of school, your child will be engaging in activities supporting a center wide theme of getting to know our facility,

rules, expectations, and staff. Much of this time will also be spent getting to know each other in our Classroom so that we can establish a solid place to begin our Pre-k experience.

ommunication will be an integral part of having a successful school year. Please know that there are a few different ways you may contact me if needed. Each day, I will check my emails periodically for any information from the school, and to check any special circumstances I may need to be aware of about your child. I will always be available for you from 8 to 4, for any questions you may have in this manner, or feel free to call the front desk and leave me a message, and I will get back with you at the earliest convenience. I will also communicate with you with a weekly newsletter which I will email by Friday, and always check your child's folder for Center-wide information.

'm looking forward to a great year with your child, and am looking forward to getting to know each of you throughout this year. Enjoy the rest of your summer, and I will see you soon!

incerely,

Ms. Jenn☺
