

*Dear Parents,*

*I have been involved in the field of early childhood for over four years. This will be my second year of teaching Pre-K at Our Lady of Presentation. I am proud to be an educator at this school because of the commitment of the staff to provide loving and quality care for the children. God has blessed me with a wonderful husband and an eleven-year-old son. We enjoy spending family time by taking walks, playing games, and reading together. I have chosen to work with children because it is a rewarding experience. I like creating positive learning experiences and enjoy bonding with the kids. Although it's been six years since my son has ventured into a preschool classroom, I remember well the special concern that a parent has for his or her child to adjust and thrive in school. I will do my best to assist the children in my care to do just this—adjust and thrive!*

*Sincerely,  
Ceci Harris*
