

March 22, 2010

Happy Spring parents and welcome back from your snowy weekend. Can you believe this weather? Well, if you've been watching the tournament, you know that K-State and Baylor are the B 12's last chances, but our favorite Tigers and Jayhawks couldn't quite get it done.

Last week was a good week for us. We reviewed the letters O through R. Our focus this week will be on the letter S as well as numbers 4 and 5. Because there is no school Friday, Show 'N Tell will be Thursday and will feature the letter S.

We will start talking about construction. We'll examine tools we can use like rulers and tape measures. We will find resources in our classroom to use as building materials...blocks, Legos, straws, etc. We will even build with some snack items and eat them afterwards. This will be a fun and exciting experience. I will display some of our projects and will let you know when they're up. Your sweeties will also let you know when to come in our room and examine our work.

By the way, last Friday was Omar Dixon's last day. We miss him and wish him well.

As always let me know if you have any questions or concerns.

Have a good week and God bless you and yours.

*Mrs. Carmen*
