

Dear Families,

Welcome to Our Lady of the Presentation Early Childhood Center! This is my first year of teaching. I have recently relocated from St. Louis to the North Kansas City area. I am looking forward to working with and learning about your children.

I graduated from Lindenwood University in St. Charles Missouri and have been working in an early childhood setting for almost five years. Before working in early childhood I was a nannie for five years. I am an only child and I had to leave behind my baby Lilly, she is a three year old great dane who my dad is now taking care of. In my spare time I love to shop and travel. Friends and family are also a very important part of my life.

My goals for the classroom are to have as much fun as possible while learning and growing. I will follow the learning goals and objectives of the Creative Curriculum. This curriculum is based on developmentally appropriate practices and accelerating the interests of all children. If you need to contact me with any questions or concerns please don't hesitate my hours are from 6:30-2:30 Monday through Friday.

Sincerely,

MS. Angie Haill
