

END OF THE YEAR 2009 NEWSLETTER

The end is near, the end is NOW!!!! WOW!!!! I can't believe the end of 2009 is here. The times I have been able to spend with your children have been a true blessing. I know I am always saying this, but my children (sorry, your children), are truly amazing. I want to thank everyone for my fabulous Christmas gifts, especially those gifts of my "Christmas Angels", your children. Just a quick reminder that each child is to bring in a box of baby wipes each month, regardless of whether your child is potty trained or not. I will keep you updated as to when diapers/pull-ups and extra clothes are needed. Kleenexes, disinfecting wipes, paper towels and snack items are also a requirement for the first of every month also. Thank you to those parents who are always bringing in what is asked for & always bringing in what I have not asked for. Next month we are going to concentrate more on potty training for those who are needing it, work on our large & small motor skills, work on skills to help with child's independence and social skills, concentrate on hygiene skills & make some fun winter crafts. We will also be brainstorming as a class what the children's big interests are and build lesson plans from there. If there is something specific you would like to see happening in our classroom, please don't hesitate to bring it to my attention. If you ever have questions, don't hesitate to ask. You can email me @ swalsh@presentation-parish.org or talk to me at any time. Please remember that you are ALWAYS welcome to come into the classroom. My door is ALWAYS open to everyone. Please check cubbies daily for notes & daily sheets. Please advise me if there are ever any changes to your child. Ex: allergies of any kind, food dislikes or even if a food bothers your child...ETC.

Thanks,
Mrs. Sharon
