

Hi, my name is LeAnn Gill.

I'm 24 years old and I grew up in the Kansas City area. I received my BA in Psychology from Rockhurst University and am currently working to complete my Masters in Social Work at UMKC. I have worked with children in one way or another since the age of 11.

I have served as a teacher and teacher's assistant at Presentation for two years now. During the past two years I've had the privilege of working in every age group; which means I've had to learn everyone's name!
