

Welcome to the 2009-2010 School year

My name is Ms. Denise and I have been a staff member of the Early Childhood Center since 1992. I have worked in variety of position and been a classroom lead teacher at every age level except ones for a number of years. These days I'm a utility play (I sub, give breaks, do laminating, copies, 3 &4 afternoon care and whatever else I'm asked). I'm around the school where ever needed. I have spent most of my life in Lee's Summit. I attended Central Missouri State (Central Missouri University) and earned my degree in Elementary/ Early Childhood education. Hope to see and meet you sometime this year.
