**Also, a note will be given at Back to School Night for a \$2.00 fee for supplies needed for the Nurse's Office. This will be collected for each student so the nurses may purchase the supplies they use throughout the year.**

**Our Lady of the Presentation School offers parents two options for school supply purchases. You may purchase school supplies pre-packaged and delivered to the school before the "Meet the Teacher" event (this must be ordered and paid for before May 25, 2011 by separate order form) or you may purchase items from this list elsewhere. Items that have specific brand names identified have proven to be the most cost efficient in terms of price and quality and are the brands that are preferred by those teachers requesting. The staff and teachers recognize the importance of cost and quality efficiency and we do our best to utilize every item that is sent in. We encourage each student to re-use school supplies from year to year such as scissors, water bottles and backpacks.**
