Our Lady of Presentation has been asked to help in the fight against cancer. The American Cancer Society is asking our school to join in their fight by forming teams to walk in the event June 8th, 2012. This is a great opportunity to give back to your community and family. Together, we can make sure that Cancer does not steal another year from our family and friends!

Relay for Life is a community gathering where everyone can participate in the fight against cancer. Teams of people camp out at a local High School, park or fair ground and take turns walking or running around a track or path. Each team is asked to have a representative on the track at all times during the event...because cancer never sleeps. Relay for life is an overnight event which celebrates survivors, remembers loved ones, and brings together millions of people to raise money to help prevent cancer, save lives, and diminish suffering from the disease. While you're raising much needed funds, you're also raising awareness of cancer prevention, early detection, treatment, and patient support. Relay brings people together from all walks of life with the common goal of eliminating cancer. No matter who you are there's a place for you to Relay.
