February 2, 2012

Dear Parents:

Catholic Schools Week is one of the highlights of the year at Our Lady of the Presentation School. Today we celebrate Family Appreciation Day as a very special part of this week.

This year's theme is "Catholic Schools: Faith. Academics. Service." In just three words, this theme expresses what Catholic schools are all about. We teach our students faith, not just the basics of Christianity, but how to have a relationship with God. We hold them to high academic standards and do everything we can to help students reach their full potential. We also teach them how to serve, both as a way to express their faith and to become good citizens.

Here at Our Lady of the Presentation School, we are proud to offer an education that is distinctive among educational institutions in our community. We are also very thankful to have parents who are generous with their time and talent, as involved volunteers at school and active parishioners here at Our Lady of the Presentation and surrounding parishes. Stewardship is a strong Catholic value, and we are proud to carry on that tradition in our school.

Thanks to you, we are blessed with a tremendous volunteer base at school! The school could not continue the standard of excellence it achieves without your support. Thank you for your dedicated service and selfless contributions to supporting our mission of providing a high-quality, faith-filled education for our students.

Also, please join us in saying thank you to others who help make Presentation School a success: our teachers, staff, administrators, and board members. Through their dedication and commitment, our students are learning in a culture of faith, academics and service that is preparing them for a full life in their families, communities and the Catholic Church.

Devotedly yours in Christ,

Father Tom Holder

Mrs. Jodi Briggs
