

Hi, my name is Anne Weston. This is my sixth year as a fourth grade teacher at Our Lady of the Presentation School. I am a graduate of Emporia State University and I have a Master's Degree in Elementary Education from Baker University.

I currently live in Independence. I attended grade school at St. Bernadette and high school at O'Hara. Go Celtics!

Fourth grade is my favorite grade! I did my student teaching at Lakewood Elementary in the Blue Valley School District with a wonderful group of fourth graders. After that, I was a substitute teacher (grades K-6, Art, Early Childhood Special Ed., and English as a Second Language) for four and a half years in the Shawnee Mission School District. I am so excited to be at Our Lady of the Presentation.

When I'm not teaching, I like to hang out with my two nieces and three nephews. I also enjoy reading Harry Potter and Lord of the Rings books. I love soccer, baseball, canoeing, camping, fly fishing, and tae kwon do, and I spend a lot of time working at Worlds of Fun and Oceans of Fun (this summer is my twelfth season working there...come see me this fall for Halloween Haunt!).

Welcome to fourth grade; it's going to be an awesome year!
