

Hello my name is Becky Lynch and I am excited to be back at Our Lady of Presentation. This will be my third year teaching second grade.

Many moons ago I taught in the Catholic Schools in Des Moines, Iowa, my home town. I taught for six years in second grade, and fourth grade. After starting my family with my husband Jeff, I decided to stay home and have a day care. I then began back in the education field by teaching reading part-time. An opening became available to become the preschool director where my kids were enrolled. I couldn't pass up the opportunity to spend more time with them, so a new chapter in my life began. After five years, our family moved to a small town in Iowa-Boone. We stayed for three years. My husband was offered the job as principal at St. Mary's High School, so we relocated to Independence.

We have three children. Jayson is 15 and will be a sophomore at St. Mary's this year. Lucas-13 and Joey-11 will be returning to the family here at OLP in 8th and 6th grades. We spend most of our weekends at football and baseball games. I am a huge Viking fan, but I like to watch the Chiefs as well. I am also a Cubs fan, but I follow the Royals too!
