

Dear Parents,

2nd Grade will be participating in the Book It program this year along with Feeding the Reading Appetite, sponsored by Price Chopper.

Your child will have an opportunity to earn 6 free pizzas. Our class will need to read a total of 30,000 pages in order to earn a movie party with our choice of ice cream or chips.

Each month in order to receive a certificate for a free personal pan pizza they will need to read for **10 minutes for 20 days**.

I will send home a calendar each month for you to initial each day your child read for 10 minutes and record the number of pages he/she read that day. At the end of the month please return the calendar to school so that I can then return a certificate to your child for their reading achievements. If you can total up the number of pages read for the month that would help us keep track on our chart here at school.

We have talked about this at length in class and I have emphasized that some of the reading should be done aloud with emphasis made at the punctuation marks. This calendar will be used as part of your child's reading grade each month as well, so please remember to return at the end of each month.

Thanks for your support!
