WHAT'S HAPPENING IN OUR CLASS

Religion

Chapter 21 focuses on the connection between love and forgiveness. We will review and take our assessment on Monday. Your child may want to log onto www.faithfirst.com and take the chapter review to be more prepared.

In chapter 22 we will learn a scripture story about Jesus and the children.

Reading

On Thursday we finished unit 8 and took our assessment. In unit 9 the focus of the stories are about being afraid. Our first story is called *My Brother is Afraid of Just About Everything*. I look forward in reading and discussing the story with your child.

Writing

I can't believe that just a few months ago we were struggling to write a sentence. Now your children amaze me with detailed stories. The children came back so excited about all the things they did over Spring Break. We decided to write about them and draw a picture. They all seemed to have a wonderful Spring Break.

Math

We will be finishing our chapter on Place Value next Wednesday.

Our next chapter is on fractions and I look forward in using some flip charts, reading books, using manipulatives. I even planned a fun activity to help understand $1/2$, $1/3$, and $1/4$.

Science

Earth Day has been so much fun. I loved all the projects. I have some creativity students. We are going to learn all about the Solar System in our next unit. I have a few surprises in store for this unit as well.
