Hello!!

My name is Carol Feuerborn. This is my seventh year teaching here at OLP and I am very excited about teaching 5<sup>th</sup> grade again!

I graduated from O'Hara High School and Avila University. In July of 2008 I completed a Master's degree in Teaching from Webster University. I have been a teacher for 28 years and this is year 26 in the Diocese. I worked for 10 years at Our Lady of Peace School before coming to OLP in 2005. I am committed to the *Catholic* education of your child.

I am married to Jim and we have three grown children - all out of college now (yeah)!!! This summer my daughter, Beth, had twin boys and I am enjoying life as a grandma. I also am the Music Director at my parish, Coronation of Our Lady.

I am looking forward to a great year and I'm happy to be a part of the Presentation School community!
