

ABOUT ME

This is my sixth year teaching 6th, 7th, and 8th grade at Presentation. This year I'll focus on Literature and Writing.

I have been married for 34 years. My husband Mick is an analyst at Hallmark Cards and the junior varsity basketball coach at St. Teresa's Academy. We have two daughters. Jennifer, a UMKC graduate who works for a financial management company, and Christie, a senior at St. Teresa's Academy. I love reading and attending local theater productions.

I grew up in Kansas City, Missouri. I have a Bachelor of Science in Education from Southwest Missouri State University and a Master of Arts in Teaching from Webster University. I taught 30 years in the Hickman Mills School District. The first 25 were at Ervin Middle School, and the last 5 were at Hickman Mills High School. I've taught reading, English, creative writing, speech, and drama. I directed the play productions at Ervin for 20 years and was an assistant director the 5 years at Hickman. For the past eight years I have been an editor mentor for the Kansas City Cappies Program, a student critic organization.

I look forward to working with the 7th and 8th graders and the new group of 6th graders. Please feel free to contact me by e-mail.
