

# Mrs. Rogers

## Middle School

### Grammar & Usage/Accelerated Math

#### Welcome to my class!

Hello! My name is Emalee Rogers, and I am a middle school teacher at Our Lady of the Presentation Catholic School. This is my sixth year on staff at OLP.

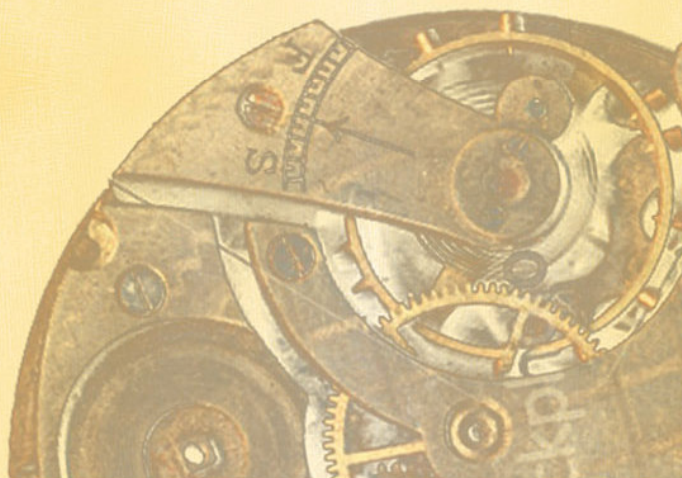

After graduating from Oklahoma State University, I served as an officer in the US Air Force. While in the Air Force, I was encouraged to teach math at State Fair Community College on Whiteman AFB. It was a fantastic experience, and I was hooked! I left the Air Force six months after we were blessed with our oldest son and have been teaching since.

My mission is to help students recognize their potential as Christian leaders. I believe in a constructivist, hands-on approach to learning, and our classroom is student centered and devoted to the process of preparing students for future challenges.

My husband and I are the proud parents of three children. Our sons, Leate and Jarrett, are in high school, and our daughter, Aimee, is an 8<sup>th</sup> grader. In our free time we enjoy traveling, camping, skiing, reading, and playing just about any sport!

#### My Education

- BS—Mathematics: Oklahoma State University
- MA— Human Resources Development: Webster University
- MA—Teaching: University of Central Missouri
