

This is my 3rd year at Presentation and I am very excited for the school year. I teach Social Studies and have an 8th grade homeroom. My family lives in Lee's Summit, I have 2 kids and my wife teaches in the Lee's Summit school district. I try to find spare time to fish, but it is difficult. I am a huge fan of Star Wars as most of my students can tell. I will work hard to make OLP an enjoyable experience for your child.

Social Studies/Grade Focus

6th grade- Focus is on world culture/society

7th grade- Ancient civilizations/impact on modern society

8th grade-U.S. History
