

My name is Kathy Lackamp. This will be my ninth year teaching Kindergarten at Our Lady of the Presentation. I am looking forward to meeting a new group of boys and girls. The summer has been fun but now that I am back in my classroom preparing for the start of the year I am anxious for the first day to get here.

I have lived in the Kansas City area my whole life. My husband Chris and I moved to Lee's Summit ten years ago. We have two daughters Bridget and Michelle. Bridget is working in a clothing boutique and Michelle is a freshman at Oklahoma State University. In my spare time I enjoy sewing, beading jewelry and reading.
