Please feel free to contact me with any questions or concerns using my school email address of lock@presentation-parish.org. I will respond to you as soon as possible. Due to my own kids schedules, I am not always available first thing in the morning however, I am available after school for conferences, conversations or help!

Happy 2011-2012 School Year!

My name is Laura Lock, and I am the Computer Technology teacher at Our Lady of the Presentation! This will be my fourth year at this amazing school and I look forward to returning smiles and new faces!

We will continue in computer class to create speedy, accurate typists as well as Cyber-Safe students that are efficient at gathering, analyzing, and creating knowledge while using technology. Our lab was again updated this summer with Microsoft Office 2010, only the newest and the best for our students!

The AR Program will continue to be administered by my department. I absolutely love to read and enjoy sharing great reads with my students! I am a big fan of the Mark Twain and Truman award books as well as the traditional classics!

My best wishes and blessings to each of you and cheers to an amazing school year!
