

Students will bring home an AR book on their level and return the book by Friday. The day the book is returned the student will take a test over the book.

Students will bring home a Sight Word Packet. These are words they should know how to read and use in their writing. Each packet has activities to do. The packet needs to be signed and returned the following day.

Students will bring home a Doodle Loop where they are to use their imagination to complete. This is to be done using complete sentences.

Students will bring home a Math paper depending on what they are doing in class.
