

## **CLASSROOM RULES: MATH, Mrs. Vittorino**

**Mission Statement:** Encourage, support, and be patient with each person as he furthers his knowledge and love of mathematics as a life-long skill.

1. Bring these six items to class EVERYDAY:

Notebook Paper                      Pencil  
Red Pen                                  Calculator
2. Be in your seat and ready to start class when the bell rings.
3. Do not get out of your seat while I am speaking to the class. If I am not addressing the class you may get out of your seat to get a tissue, sharpen your pencil or throw something away.
4. You must have permission to leave the room. You will need to check with me, sign out on the back whiteboard with the time and where you are going, and take a hall pass with you.
5. You need to be quiet while class is in session unless you are told otherwise.
6. Use the correct Middle School heading on all of your homework papers. It should be placed in the upper right hand corner.

7. It is your responsibility to see me for the assignment given when you are absent from school. You are given two class periods to make up the work: if you are absent on Monday, the work would be due on Friday. This time may be extended at the teacher's discretion.
8. Homework assignments will be posted on the website. There is no reason for not completing the correct assignment. Late work will be accepted but not for full credit. Homework -1pt per day late and Notebook -5pts per day late.
9. The grading system is as follows:

10. Extra Credit will be offered periodically. It will only be accepted if the regularly assigned homework has been turned in.
