

Mrs. Lenihan

Welcome to another fantastic year in 2nd grade.

I am excited to start my 9th year of teaching, all of which have been in the diocese.

My husband Peter and I both have both grown up in Catholic schools, we both attended Christ the King Parish where we are still members. I continued to St. Teresa's Academy and then on to Avila University where I received my undergrad degree in education and recently received my Masters degree from Webster University.

Peter and I have one little boy running around, getting ready to celebrate his First Birthday, very hard to believe. He keeps us very busy. Between chasing him, attending royals games and playing volleyball. We also love to spend time with friends and family.

As always I hope you enjoy your year and please let me know if there is anything that I can do or if you have any questions.
