What is happening in Room 103?

Religion–

We just finished the study of The Liturgy of the Word and will begin the Liturgy of the Eucharist. This will help them get ready for First Communion. We have study each section of the mass, so the children know the steps for each and what we do for each part of

Language/Writing–

The children are doing a great job with cursive, we are getting ready for uppercase letters. We are working on adjectives, subject/verb agreement, prefixes/suffixes, contractions and compound words. As a class we're working on improving our writing skills.

Math–

We are just about done with our money chapter. Please continue working on counting money, math facts, regrouping, we review all concepts. Next chapter we will move towards will be telling time. Please

Reading–

We have moved right into our unit on Courage. The children will see the connection of bravery and those who act courageously when faced with a frightening situation. We will spend a short time on this unit before we start our Dinosaur

Science–

Our study of geography is slowly going to wrap up, but of course we look forward to Flat Stanley's return. In a few weeks we will move into our study of dinosaurs.

Special points of interest:

- 10th Book Order Due
- 14th Valentine's Parties
- 17/20 NO School

Important Reminders:

- Thank you to all that helped with Catholic Schools Week; what a great way to celebrate our faith.
- Information regarding Valentine's Day party will be sent to you
- If you come across any apps for the ipad let me know; we would love to explore new games for learning.
