

## ABOUT ME

Hello, my name is Terry Nyhan and I am the middle school science teacher at Presentation.

I have a Bachelor of Science degree from Bemidji State University in northern Minnesota and a Masters of Education degree from Webster University.

This will be my 44<sup>th</sup> year of teaching. My first 2 years of teaching was at Regis High School in Cedar Rapids, Iowa where I taught biology. I then taught middle school and high school science courses in the Hickman Mills district for 26 years. After retiring from Hickman Mills, I taught middle school science for 9 years at St. Regis in Kansas City and 1 year of biology and A.P. biology at O'Hara High School. This will be my 6<sup>th</sup> year at Presentation.

My wife and I have been married for 40 years and have a son (age 29) who attended Presentation. We have lived in Lee's Summit our entire married life.
