

Hello, my name is William Mayle and i am a proud graduate of Our Lady of the Presentation as well as Archbishop O'Hara high school. I will be teaching Physical Education and Health at Presentation while my coaching duties take me back to O'hara where I am the head baseball and softball coach. I graduated college from Northwest Missouri State University with my degree in Education in 2004. I also played college baseball at Northwest where I had a good pitching career. After college I spent the last 5 years in Atlanta, Georgia teaching and coaching. I am very excited to be home!
